

LumaCool™

Whitening Pen

Maintain your white smile in seconds

An attractive silver colored twist-click pen with a brush-tip applicator, boxed, 2.5ml, active ingredient 7.5% hydrogen peroxide. Maintains a white smile or lighten teeth without having to take an impression, no trays, no strips while on-the-go. Taking only seconds to apply, it's easy to use anytime anywhere.

One of the first things you notice is a beautiful white smile, it catches everyone's attention.

The LumaCool™ Teeth Whitening Pen can help maintain a white smile while on the go.

LumaCool™ Teeth Whitening Pen revolutionizes the teeth whitening process.

Teeth can be whitened wherever, whenever you'd like. Simply brush the invisible whitening gel on your teeth and go about your day, no need to sit around for an extended period of time with messy trays or strips in your mouth. Let the LumaCool™ Whitening Pen effectively whiten teeth either at work or at play.

Every LumaCool™ Whitening Pen includes an attractive box, point of sale/information flyer, instructions for use and a commonly asked question and answer information sheet. Refrigeration recommended prior to first use, approx. 40 - 50 applications per pen.
